

What are “occupancy standards?”

Occupancy standards refer to the size (number of bedrooms) of a housing unit for which HCV participants are eligible. Occupancy standards are based on household size.

Occupancy Standards:

Household Size	Number of bedrooms
1	0-1
1-2	1
3-4	2
5-6	3
7-8	4
9-10	5
11-12	6
